

CS6 AND CS6 Pak DIGITAL RECORDING MONITORS

Fast, Efficient Results

Capture still images and video clips directly to a USB thumbdrive and generate high quality multi-media reports.

Both monitors have the same features and are compatible with all SeeSnake camera reels. The CS6 mounts to the SeeSnake MAX rM200 docking handle for easy transport and storage.

The CS6 and CS6Pak have the same great software and reporting capabilities in two distinct form factors.

*Battery pictured not included

BENEFITS

- **One-touch recording** for fast, efficient documentation of inspection jobs
- **Water-resistant keypad** for direct control of essential camera and monitor functions
- **Daylight viewable display** for a crisp, clear in-pipe image
- **SeeSnake HQ Software** to edit archive, and deliver reports via print, DVD, or online
- **On-screen keyboard** for adding custom job information and text notes
