

RIDGID®

CS10

NEW!

CS10 Monitor **Digital Recording Monitor**

The **CS10 Monitor** combines RIDGID durability with the easiest to use Digital Recording Monitor in the industry. One touch recording allows you to record snapshots and video directly to a USB Stick then hand it directly to your customer.

- **USB Stick Recording** lets you record digitally into a format that your customer can read on their computer.

- **12.1" Daylight Readable Display** allows you to easily monitor and record inspections in bright outdoor environments.
- **Multi Mode Recording** lets you take snapshots, record full frame video, and record in a lean video format called Auto-log (small files).
- **Software Integrations** with SeeSnake HQ allow you to deliver your inspections in a wide array of formats from online to DVD.
