

RIDGID®

CS65

SeeSnake. CS65

Digital Reporting Monitor

Complete Reporting Solution. One-touch image and video capture directly to one or two USB drives and the built-in 1 TB hard drive. The CS65 mounts to the SeeSnake Max rM200 for easy transport and storage. Easily add on-screen titles and annotate captured media with the built-in keyboard and automatically generate high quality multimedia reports.

Dual USB Ports to record media and document inspections to one or two USB drives simultaneously.

1 TB internal hard drive provides ample storage for multiple jobs.

PhotoTalk™ pairs audio commentary with an image, in an email-ready file.

Daylight viewable display for a crisp, clear, in-pipe image.

Water-resistant keyboard makes it easy to add onscreen titles and annotate reports.

HQ Software to edit, archive, and deliver reports via print, DVD, or online.
