SeeSnake® LT1000

Use your laptop as a Monitor and Digital Recorder

By using a Laptop as a monitor, your recording and monitoring options are as powerful as your PC. Digital recording, DVD burning, Wireless Transmission and Online Hosting are all possible with the LT1000 and a Laptop.

- **Clean Keys Control Pad** allows you to keep gloved hands off your Laptop.
- **Battery Powered Freedom** using 1 or 2 18V Li-Ion batteries.

Specifications

| | |
|-----------------|--|
| Power | 18V Li-Ion Battery or AC Plug |
| Outputs | USB Video Stream, RCA Video and Audio |
