SeeSnake® CS10 Monitor

Digital Recording Monitor

The RIDGID® SeeSnake® CS10 Monitor combines RIDGID durability with the easiest to use Digital Recording Monitor in the industry. One touch recording allows you to record snapshots and video to a USB Thumbdrive, and then hand it directly to your customer.

- **USB Thumb Drive Recording** lets you record digitally into a format that your customer can read on their computer.
- **12.1" Daylight Readable Display** allows you to easily monitor and record inspections in bright outdoor environments.
- **Multi Mode Recording** lets you take snapshots, record full frame video and record in a lean video format called Auto-log (small files).
- **Software Integrations** with SeeSnake HQ and RIDGIDConnect.com allow you to deliver your inspections in a wide array of formats from online to DVD.
