

RIDGIDConnect™ is the online business tool designed for contractors and service providers that will reduce your reporting costs and help you share, store, and simplify the way you work with digital information.

### RIDGIDConnect Allows You To:

- Create job reports for one or many to see
- Associate any type of digital file or media
- Tag your media for reference and quick look up
- Edit video, extract frames as images and add image mark ups to tell the story
- Add bookmarks to videos to direct viewers to areas of interest
- Control access to your information by expiration date or total number of views
- Manage your customer list and associate geotags with provided addresses
- Import address lists from any standard program
- Populate your GPS with your customer list
- Keep company only notes about jobs and customers to help recall and service capability
- Schedule jobs, set reminders and dispatch work within your company
- Enable your customer to upload media to a report so you understand the issue before arriving on site
- Seamlessly integrate job reports from SeeSnake HQ to your RIDGIDConnect account
- Have daily backups and 24 x 7 access via browser to all of your information
