## WD1060 10 Gallon Stainless Steel Wet/Dry Vac

RIDGID  
**FULL LIFETIME WARRANTY**  
Against Material Defects & Workmanship

The RIDGID® 10 Gallon Stainless Steel Wet/Dry Vac is designed to deliver great suction and rugged construction in a compact package. The high performance 6.0 peak horsepower motor easily handles tough job site clean-up tasks. The top handle with integrated cord wrap, stainless steel construction, caster feet with accessory storage all make this wet/dry vacuum ideal for the demands of the Pro or DIY homeowner. It features the Patented Qwik Lock® Filter Fastening System that makes installing or removing your filter quick, easy & secure.

FEATURES	BENEFITS
• 6.0 Peak HP Performance	Great for general purpose use around the garage and shop. Integrated blowing port for added versatility.
• 10 Gallon Stainless Steel Drum	Offers durable construction and a high-gloss shine. Provides capacity for clean-up of spills & messes at job-sites and busy shops.
• Rugged Casters with On-Board Accessory Storage	Moves easily over various terrain. Storage space for 4 accessories.
• Lower Center of Gravity	Design lowers the center of gravity to help prevent tipping. Compact design stores more easily.
• Patented Qwik Lock® Filter Fastening System	Makes installing or removing your filter quick, easy and secure. Replacement filter VF4000.
• 2-1/2" x 7' Tug-A-Long® Positive Locking Hose	Resists collapsing and adds 180° flexibility at both hose ends. Hose locks onto vac for uninterrupted cleaning.
• Top Carry Handle	Large carrying handle makes transportation easy and integrated cord wrap provides storage for 15' power cord.
• Included Accessories	2-1/2" x 7' Dual-Flex® Locking Hose, 2 Extension Wands, Utility Nozzle, Wet Nozzle, Car Nozzle, Qwik Lock® Filter, and Owner's Manual.
• Accepts Vacuum Bag	Simply remove the dust bag from the drum, allowing for quick, easy and clean debris disposal. Accepts Dust Bag VF3503. Sold Separately.
