

RIDGID

HD1200 12 Gallon High Performance Wet/Dry Vac

Part of the most powerful line of vacs RIDGID has ever made, the RIDGID 12 Gal. NXT wet dry vac is designed for Pros and DIY'ers who want a medium sized vac that delivers the power required for the jobsite, more powerful than ever with a 19% increase in performance! Its 5.0 peak horsepower motor delivers the power necessary to handle tough clean-ups. This vacuum's 12 gallon drum size results in a more compact design that requires less storage space on a service truck, in the shop, or in the garage. However, it still offers the capacity to handle large messes.

FEATURES	BENEFITS
• 5.0 Peak HP Motor	High performance vacuum with integral blowing port for added versatility.
• On-Board Hose Storage	Hose clips allow you to store your Dual-Flex [®] hose.
• 12 Gallon Drum	Provides capacity for clean-up of large spills & messes at job-sites and busy shops.
• 4 Swivel Casters	Moves easily over various terrain. Storage space for 4 accessories.
• 2 1/2" Locking Accessories	Accessories lock together, from your hose to your wand to your floor tool, so nothing falls off when in use.
• Large Handle with Cord Wrap	Stores the 15' power cord
• 1-Layer Standard Filter	Insert hose in exhaust port and use air-stream to blow sawdust from tools and debris from garages, decks & sidewalks.
• Blowing Capability	
• 2-1/2" x 7' Dual-Flex [®] Locking Hose	Resists collapsing and adds 180° flexibility at both hose ends. Hose locks onto vac for uninterrupted cleaning.
• Large Built-In Drain	Conveniently located at the drum's lowest point for quick and complete liquid disposal.
• Included Accessories	2-1/2" x 7' Dual-Flex [®] Locking Hose, 2 Extension Wands, Utility Nozzle, Car Nozzle, Wet Nozzle, & 1-Layer Paper Pleated Filter
