

PORTABLE PRO Wet/Dry Vac

The new RIDGID® 3 gallon is a compact wet/dry vac that is designed to deliver performance of a vac 3x's its size. Its lightweight, small size and large carry handle provide comfortable portability. The built-in suction-powered dustpan makes cleaning quick and easy. The vacuum's 3.5 peak horsepower motor, 10-foot power cord, locking expandable hose, and 1-layer standard pleated paper filter will please Pros and DIY'ers alike.

FEATURES	BENEFITS
• 3.5 Peak HP Motor	Powerful performance is comparable to wet/dry vacs 3x its size.
• Lightweight	9.8 Pound vac is extremely portable.
• Large Carry Handle	Designed for convenient portability.
• Integrated Hose	Hose stores on vac to improve storage and transport.
• Cord Wrap With Quick Release	Built-in cord storage has quick-release so you can spend your time cleaning and not unwrapping the cord.
• Expanding Locking Hose	The expanding hose locks to the vac so it won't pull loose during use.
• 1-7/8" Diameter Hose	Offers non-clogging performance similar to larger diameter hoses with the flexibility of smaller diameter hoses.
• 1-Layer Standard Filter	Pleated paper filter captures common everyday dirt.
• Included Accessories	1-7/8" x 7' Expanding Locking Hose, Car Nozzle, Built-In Dust Pan, & 1-Layer Paper Pleated Filter.
