

RIDGID

AM2286 (301703576) Air Mover

The new RIDGID AM2286 Air Mover is designed to help Pros and DIYers dry wet floors, wet carpet, ceilings, and walls. This air mover is equipped with a 3-speed heavy-duty induction motor that provides high volume air circulation at 1625 CFM. The padded foot bumpers allow this air mover to be placed in 3 operating position and recessed stacking pads on the top of the unit allow you to conveniently store. The extra-long 30 ft. power cord increases your reach on the job site while drying large areas. This unit provides the powerful performance and rugged durability you have come to expect from RIDGID.

FEATURES	BENEFITS
• Heavy Duty Motor	Heavy duty induction motor with motor isolation for reduced vibration and noise.
• High Volume Air Movement	3-speeds and 1625 CFM deliver desired air movement for area drying, cooling, etc.
• 3 Operating Positions	3 operating positions allow you to blow air at 0, 45, and 90° angles.
• Efficient Vent Design	Disperses air over a larger drying area.
• Power Cord Wrap	Neatly stores extra-long 30 ft. power cord.
• Large Carry Handle	Large handle makes for easy lifting and carrying.
• Stackable	Conveniently stack and store with recessed stacking pads on the top of the unit
