

RIDGID

HD0600 6 Gallon Wet/Dry Vac

Part of the most powerful line of vacs RIDGID has ever made, the RIDGID 6 Gal. NXT wet dry vac is more powerful than ever with a 31% increase in performance! This vac has a 3.5 peak horsepower motor great for everyday cleanup of small-volume dirt and debris. Its compact design requires minimal storage space in a garage or on a truck and was built for easy lifting and comfortable transport with an ergonomic front-to-back top carry handle and comfort grip drum carry handles. For added versatility, connect the hose to the blower port and use for blowing leaves, grass clippings and more. It features the patented Qwik Lock Filter Fastening System that makes installing or removing your filter quick, easy and secure.
