& Workmanship

The new RIDGID AM2287 Air Mover with Daisy Chain features two electrical sockets that make chaining 2 additional units together hassle-free. This air mover is designed to quickly dry wet carpet, wet flooring, and provide ventilation with a high-volume airflow at 1625 CFM. The air circulation is controlled by the 3-speed heavy-duty induction motor to make drying large areas efficient. The Daisy Chain Air Mover also features a 25 ft. power cord with cord wrap, giving you the extra reach needed on the jobsite. Stackable design for easy storage, an ergonomic carry handle and a built-in circuit breaker are included features that provide the powerful performance and rugged durability you have come to expect from RIDGID.
