

Model 460-6

Model 460-12

## ***Portable TRISTAND® Chain Vise*** ***Stand up to tough welding, threading and grooving demands!***

The Ridge Tool Company has new portable chain vise stands for up to 12" diameter pipe. These versatile stands are designed to meet your rugged jobsite needs year after year.

### **Portable 460-6 TRISTAND Chain Vise**

- **Optimized Base For More Working Area** – Benders are located at the rear of the base which provides 40% more working surface and three tool hangers are provided.
- **Integrated Ground Lug** – Provides a conductive surface to connect the weld ground.
- **Self Hooking for 4" Pipe** – No need to use a second hand to engage the chain into the wear plate.
- **Leg Chain** – Retains legs even when subjected to rugged use during operation and transport.
- **Rugged Tool Tray** – Prolonged stability before requiring a leg adjustment.

### **The 460-12 has all the features of the 460-6 model Plus:**

- **12" Jaws & Extended Chain** – Grip up to 1/8" - 12" pipe.
- **Adjustable Rear Leg** – Provides the ability to level the stand.
