

RIDGID

HD0900 9 Gallon Wet/Dry Vac

Part of the most powerful line of vacs RIDGID has ever made, the RIDGID 9 Gal. NXT wet dry vac is more powerful than ever with a 21% increase in performance! The 4.25 peak horsepower motor and 9 gallon drum size are perfect for home improvement projects and cleanup around the garage and shop. The large 1-7/8 in. diameter locking hose locks onto vac so it won't pull loose during use and the added Dual-Flex feature resists collapsing and offers the mobility you need to reach tight places. This vac was built for comfort and convenience with an ergonomic front-to-back top carry handle, comfort grip drum carry handles and latches that securely seal the lid to the drum. Connect the hose to the blower port for added versatility and use for blowing leaves, grass clippings and more. This vac's patented Qwik Lock Filter Fastening System makes installing or removing your filter quick, easy and secure.
