*Selected products only & subject to availability & location

The RIDGID® SeeSnake® CS65XR is a powerful, all-in-one reporting solution for plumbing diagnostics. Built on the time-tested platform of the SeeSnake CS65x monitor, now the CS65XR boasts a crisp, 1024 x 768 XGA high resolution and daylight viewable display for exceptional viewing on the jobsite.

- Water-resistant keyboard and full-featured reporting software allows for fast, efficient onsite reporting
- Integrated Wi-Fi and Bluetooth allows live inspection streaming on an iOS® or Android™ device with the free HQx® Live app, or on a Windows device using SeeSnake HQ software
- Durable, 128 GB internal SSD provides ample storage for multiple jobs
- Dual USB ports give you the ability to make up to two copies of the job at once
- Supports SeeSnake camera reels with TruSense® technology for superior image quality and valuable data about the in-pipe environment
- Onboard GPS allows media to be geo-referenced when GPS signal lock is available
