## RP 210-B Press Tool

**The Next Small Thing In Pressing!** RIDGID® introduces the ultimate in press tool technology: the RP 210-B. For a fast and reliable way to join copper, stainless steel and PEX, the new RP 210-B has more capacity than any compact press tool on the market. This model is 2 inches shorter and 25% lighter than our previous compact tool and features the longest service interval available (32,000 cycles), an improved swiveling barrel, and a powerful 18V Lithium-Ion battery. Now you can do more...with less!
