

# RIDGID

## HD1800 16 Gallon High Performance Wet/Dry Vac

Part of the most powerful line of vacs RIDGID has ever made, the RIDGID® 16 Gallon NXT wet dry vac is designed to deliver the powerful suction, large capacity, rugged construction, unique features and excellent mobility that Pros demand on the jobsite or in the shop. The powerful 6.5 peak horsepower motor easily handles the toughest job site clean-up tasks. Moving up & down steps or across rough terrain is a snap with the large diameter, fixed rear wheels. Other key features include; complete accessory storage, hose and cord storage, locking accessories, and extra drum handles to help lift and empty the drum. With the heavy duty 2-piece drum construction and a lifetime warranty, this vac meets the demands of Pros.

FEATURES	BENEFITS
• Powerful Performance	Powerful 6.5 Peak HP motor is the highest rated motor RIDGID has to offer.
• 2-1/2" Locking Accessories	Accessories lock together, from your hose to your wand to your floor tool, so nothing falls off when in use.
• Complete Accessory Storage	Tool caddy and caster storage provide up to 7 storage spaces for accessories.
• 2-Piece Drum Construction	Provides improved, more rugged construction to meet the higher demands found on the job site.
• Patented Qwik Lock® Filter Fastening System	Makes installing or removing your filter quick, easy and secure.
• 2-1/2" x 7' Tug-A-Long® Positive Locking Hose with Dual-Flex®	Dual-Flex® resists collapsing and adds 180° flexibility at both hose ends. Hose locks securely onto vac and can be stored on-board.
• Large Handle with Cord Wrap	Stores the 20' power cord.
• 20' Power Cord	Combined with 7' hose provides 27' of reach.
• Powerful Blowing Performance	Attach hose to exhaust port to blow debris from garages, decks, sidewalks, etc.
• Included Accessories	2-1/2" x 7' Tug-A-Long® Positive Locking Hose with Dual-Flex®, and the following Locking Accessories—2 Extension Wands, Utility Nozzle, Car Nozzle, Wet Nozzle, Crevice Tool, Muffler/Diffuser, & Filter
