# CS6

## SeeSnake CS6

### Digital Recording Monitor

The new CS6 digital recording monitor is designed for daylight visibility and easy image and video recording directly to a USB stick by automatically generating high quality multi-media reports.

**Direct-to-USB recording** for fast, efficient documentation of inspection jobs.

**Water-resistant keypad** for direct control and monitor functions.

**Daylight viewable display** for a crisp, clear in-pipe image.

**Convenient for transportation and storage,** enhanced portability.

**SeeSnake HQ Software** to edit, archive, and deliver reports via print, DVD or online.

**On-screen keyboard** for basic titling and text entry.

**18 V Power adaptor** (optional).

**Pause / resume recording option.**
