Subject to availability & location

The RIDGID® SeeSnake® CS12x Monitor delivers a large screen, dual battery functionality and Wi-Fi connectivity. Designed to help you work smarter, not harder on the job site.

#### Enhanced Connectivity

- Stream or record inspections to an iOS or Android phone or tablet with the free HQx Live companion app

#### Storage Option

- Capture images and video directly to a USB drive

#### Dual Battery Power (optional)

- Two batteries can be installed to deliver maximum runtime at the job site

#### Large 12.1" Display

- At 12.1" and with a resolution of 1024x768 pixels, the upgraded high contrast display is crisp, clear and daylight readable

#### More Powerful Processor

- Delivers quick start-up time and snappy performance
