

POWER-SPIN®

NEW

Chews Through Grease, Lint & Hair To Unclog Sinks, Tubs & Showers

The new Power-Spin® is stronger than ever, with a heavier gauge cable and sealed drum with molded gasket. The patented AUTOFEED® trigger and MAXCORE® cable power through clogs fast.

Dual Powered Operation:

- Quickly switch between drill or hand power.
- Can be used with any drill up to 500 RPMs.

Kink-Resistant Cable:

- Equipped with a cable designed for drill powered operation.
- 25' of our toughest 1/4" cable lets you deliver more torque to the clog than previous model.

AUTOFEED Trigger:

- Clean Hands Operation – Avoid mess and minimize job site cleanup.
- Easily Feeds Cable – Squeeze the trigger and the cable feeds and retracts automatically as the drum turns.
