

RIDGID®

Thread Cutting Oil

For the Best Job, Choose the Best Oil

Master your jobs with ease and accuracy with the RIDGID® Threading Oils. Designed for plumbing experts, these thread cutting oils efficiently cool threads and pipe during operation to deliver premium quality threads, producing the best possible results. They're specifically formulated to improve the quality of threads while significantly reducing friction and keeping the dies cool for a maximized die life.

- Helps reduce torque while threading
- Conveniently speeds up scrap metal removal

FEATURES	Dark	Nu-Clear	Endura-Clear	Extreme Performance
Low Odor	X	X	X	X
Anti-Mist Formulation	X	X	X	
Extended Die Life			X	X
FBC™ System Compatible ¹			X	
Designed for Stainless Steel				X
Working Viscosity	0°F	-20°F	-20°F	0°F

¹FBC™ System Compatible indicates that this product has been tested, and is monitored on an ongoing basis, to assure its chemical compatibility with FlowGuard Gold®, BlazeMaster® and Corzan® piping systems and products made with TempRite® Technology.

Model 418 Oiler – (Cat. # 10883)

Ergonomically designed to maximize oil flow with minimal effort. Redesigned piston and seals ensure smooth operation in cold weather and the heavy-duty cast construction combine the durability you expect with quality you deserve.
